*The Annual Percentage Rate (APR) is the Credit Union's current rate as of February 26, 2019. This APR will vary with the market based on the Prime Rate and is adjusted monthly. It is determined by adding 5% to the highest U.S. prime rate published in The Wall Street Journal "Money Rates" table on the 15th business day of the month. The rate is effective on the first day of the billing cycle. Qualification is based on an assessment of individual creditworthiness and our underwriting standards. All Credit Union loan programs, rates, terms and conditions are subject to change at any time without notice. Call us at 765-771-8000 option 1 to talk to a consumer loan specialist for current rates, terms and conditions.
